

*INSERT ORGANISATION* ensures that the use of electrical wiring, equipment, portable tools and extension leads is in accordance with applicable codes and standards including AS3012, Electrical Installations – Construction and Demolition Sites and AS3000, Wiring Rules.

*INSERT ORGANISATION* ensures that all electrical equipment brought on site is listed in the Electrical Equipment Register. The register is completed prior to commencement of the works and maintained for the duration of the works on site.

All electrical equipment including leads, portable power tools, junction boxes and earth leakage, or residual current, devices is inspected and tested by a suitably qualified person and labelled with a tag of currency before being used on site.
