

This policy sets out conditions applicable to the handling of emergency situations.

The full content of the policy is available for download to your shopping cart.

Example content:

While *[Insert Company name]* will take all reasonably practicable steps to minimise the risks of accident (and particularly fire and other situations where there may be significant risks to personnel and property), it is acknowledged that, despite these measures, it cannot be assumed that a major incident will never occur. In consideration of this circumstance, our primary objective is to provide a practised, swift and effective response to any emergency situation.

Company Commitment

[Insert Company name] is committed to providing a safe place of work and safe systems of work as well as protecting the health and safety of people during reasonably foreseeable emergency situations. *[Insert company name]* will maintain a fully documented emergency response plan that:

- ✓ identifies the possible emergency scenarios for our site
- ✓ prescribes the emergency *Company* (people and duties)
- ✓ specifies the arrangements to be implemented (systems and procedures).
